If we suspend access to our Software and/or Documentation for longer than either a continuous period of 15 days; or

10.2.1 30 days in any 12-month period,

we will adjust the price so that you don't pay for it while it's suspended. If we suspend supply, or tell you we're going to suspend supply, for more than 4 weeks, you can contact us to end the contract and we'll refund any sums you've paid in advance for products you won't receive.

12.1.3 You breach any provision of these Terms.

13. We don't compensate you for all losses caused by us or our products

13.1 If you are a consumer, we are responsible for losses you suffer caused by us breaking this contract unless the loss is:

13.1.1 Unexpected. It was not obvious to ORBNET Systems that it would happen and nothing you said to us before we accepted your order meant we should have expected it (so, in the law, the loss was unforeseeable);

13.1.2 Caused by a delaying event outside our control. As long as we have taken the steps set out in clause 14.

13.1.3 Avoidable. Something you could have avoided by taking reasonable action. 13.1.4 A business loss. We only supply the Software and/or Documentation to you for domestic and private use. If you use the products for any commercial, business or re-sale purpose we will have no liability to you for any loss of profit, loss of business, business interruption, or loss of business opportunity.

13.2 If you are a business customer, subject to clause 13.4, we will not be liable to you, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for any loss of profit, or any indirect or consequential loss arising under or in connection with any contract between us. Our total liability to you for all other losses arising under or in connection with any contract between us, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall be limited to 25 per cent of the total sums paid by you for products or services in the proceeding 12-month period in which such a claim is to have occurred.

13.3 We are not responsible for IT difficulties outside of the scope of the Software and/or Documentation. If the effectiveness of our products is impacted by outside IT difficulties, such as an outdated operating system, internet signal, network connectivity or incomplete installation of the Software, we will not be liable and you will not be entitled to any refund or compensation.

13.4 Losses we never limit or exclude. Nothing in these Terms shall limit or exclude our liability for death or personal injury caused by our negligence, or the negligence of our employees, agents or subcontractors (as applicable), fraud or fraudulent misrepresentation or any matter in respect of which it would be unlawful for us to exclude or restrict liability.

14. We're not responsible for delays outside our control.

14.1 Products: If our supply of your product is delayed by an event outside our control, we will contact you as soon as possible to let you know and do what we can to reduce the delay. As

long as we do this, we won't compensate you for the delay, but if the delay is likely to last for longer than 4 weeks you can contact us to end the contract and receive a refund for any products you have paid for in advance, but not received.

14.2 Services for business customers: If our supply or performance of the services is delayed by an event outside our control, we will contact you as soon as possible to let you know and do what we can to reduce the delay. As long as we do this, we won't compensate you for the delay, but if the delay is likely to last for longer than 6 weeks you can contact us to end the contract and receive a refund for any services you have paid for in advance, but not received.

15. If you are a consumer, you can change your mind

15.1 If you bought online or over the telephone you have a legal right to change your mind before accessing or downloading your product.

15.2 You have 14 days after the date we confirm your order to change your mind about a purchase, but you lose this right when you start to download or stream your product. If you change your mind, contact us to let us know and we will refund you as soon as possible and within 14 days of you telling us you've changed your mind. We will refund you by the method you used for payment. We don't charge a fee for the refund.

16. How you can end your contract with us

16.1 If you are a consumer, you can simply end the contract by contacting us if:

16.1.1 Our Software and/or Documentation that you purchased are misdescribed and you have a legal right to end the contract or get some of your money back;

16.1.2 You want to end the contract because of something we have done or have told you we are going to do, please see clauses 8.5 (changes to our prices), 9 (changes to our products or these Terms), 10.2 (suspending supply of our products), 11.1 (withdrawal of products) and 15.2 (change your mind). In these instances, the contract will end upon your written notice;

16.1.3 In all other cases (if we are not at fault and there is no right to change your mind), you can still end the contract but this will apply upon expiry of any relevant subscription or auto-renewal period provided you have given us at least 30 days' notice before the period is due to end.

17. What if you are unhappy with the Software and/or Documents?

17.1 If there are any issues with our products, please contact us in the first instance and we will try to resolve any concerns for you. You have the following rights:

17.1.1 If you are a consumer our products must be of satisfactory quality, fit for purpose and as described. If the Software and/or Documents do not adhere to these requirements, you may be entitled to repair, replacement or if it hasn't been fixed within a reasonable time and without significant inconvenience, you can get some or all of your money back. If you can show the fault has damaged your device and we haven't used reasonable care and skill, you may be entitled to a repair or compensation.

17.1.2 If you are a business customer our products must conform to description, be free from material defects, be of satisfactory quality and be fit for any purpose held out by us. If the Software and/or Documents do not adhere to these requirements, you may be entitled to repair, replacement or refund of the price of the defective product in full and this will be your only remedy. However, you must not have used the products after purporting it is non-compliant; any non-compliance must not have arisen as a result of your failure to follow our instructions such as on installation; any non-compliance must not be as a result of your alteration to the products and any non-compliance must not be as a result of wilful damage, negligence or abnormal working conditions.

24. Even if we delay in enforcing this contract, we can still enforce it later If we do not insist immediately that you do anything you are required to do under these Terms, or if we delay in taking steps against you in respect of your breaking this contract, that will not mean that you do not have to do those things and it will not prevent us taking steps against you at a later date.

25. You have several options for resolving disputes with us.

25.1 Our complaints policy. Please contact us and we will do our best to resolve any problems you have with us or our products (or services) as per our Complaints policy.

25.2 Resolving disputes without going to court.
